Re: **MUR 5905**

Dear Mr. Jordan

RECEIVED
FEDERAL ELECTION
COMMISSION
OFFICE OF GENERAL
COUNSEL

2007 MAR 30 P 3:29

Enclosed please find a copy of an executed Statement of Designation of Counsel for our clients, the National Association of Social Workers (NASW) and the National Association of Social Workers Political Action for Candidate Election (NASW-PACE). We will forward the original signed statement to you shortly.

Our clients received the complaints on or about March 19, 2007, and we understand that certain NASW officers and employees also have been named as respondents in this matter. We will need to request an extension of time for all NASW-related respondents to respond to the complaint. NASW retained us within the last month to undertake an internal review of these allegations, and this review has begun. Because the complaint contains numerous allegations and hundreds of pages of attached documents, we will require an additional thirty days to complete our investigation and draft a response for the Commission. We would, moreover, hope to be able to file a consolidated response at the conclusion of this review.

We acknowledge that this extension may be longer than is routinely granted, but given the complexity of the case and the volume of documents involved, the additional time is needed to complete our review and draft a response to the complaint. Moreover, granting this extension should allow us an opportunity to provide a more focused and constructive response that can assist the Commission in resolving these issues.

For these reasons, we respectfully request until April 30, 2007, to file our response.

Also, we understand that the complainant may have submitted additional materials in support of her complaint. Please forward any such materials to us as soon as possible.
